1 Tell You Catarrh CAN

I Know that What Cured Me After 25 Years of Useless Dectoring Will Interest Every Catarrh Victim and I'll Spend the Money to Tell Them How This Modern Wonder Was Accomplished.

Simple You Can Try and Prove This Great Method Absolutely Free of Cost.

I am not a doctor and not a scientist, but simply an American business man with plain common sense enough to appreciate a really good thing when I have it proved to me, and with enough humanity to want others to benefit as I did. When a man suffers all the inconvenience, the humiliation, the emberrassment of catarrh for 26 long years, spending hundreds of dollars and much valuable time on alleged remedies without any success, and then suddenly finds a means that cures him almost like magic, it is his plain duty to see that all the world is made to hear of it. Method Absolutely Free of Cost.

It makes no difference how bad your you instant relief. I tell you to deend upon it absolutely.

For all those years I went about half ashamed of myself, always conscious of the nauseating and disgusting practices I was forced to indulge in I couldn't help hawking, spitting, sneering, and blowing my nose, no matter where I happened to be (just as you do if you are a catarrh victim), and I was well aware that people shunned me like a leper and kept away from my vile breath and filthy habits as much as they could.

After I had tried about everything

I don't care how failen, or flaccid, or undeveloped your bust now is—I want to tell you of a simple home method—I want to tell you how you can gain perfect development one ounce a day. No physical culture—no massage, foolish baths or paste—no plasters, masks or injurious injections—I want to tell you of an absolutely new method, never before offered or told about—insuring immediate success and permanent beauty. me like a leper and kept away from my vile breath and fility habits as much as they could.

After I had tried about everything (half a hundred different remedies). I learned of this wonderful Swiss treatment and had proved to me some of the remarkable results it had brought about. I tried it and was better in an instant. In just a short time I was well and free from that awful catarrh.

I was so pleased, so thankful, that I determined every one should have the chance to profit by it. I bought the formula and rights and now offer you sufferers from catarrh the chance to dry this wonderful SWISS-AMERICAN VAPORATOR without a cent of cost. Just send me the coupon below. The VAPORATOR is so small it can be carried in the pocket or handbag and used without trouble or publicity. Just send the coupon—but do it NOW. Grasp the opportunity while it still knocks at your door. Send teday sure Just write me a letter—address it to me personally—that's all. I will answer it by return mail—and you can develop your bust one ounce a day—you can be what you want to be. Believe me when I say that you will bless me through years of happiness for pointing the way to you and telling you what I know. Please send your letter today to the following address:

NEW INDIAN ANIMAL STORIES How the Little Bird Helped the Ball Player

Long tim 1go, when the little boys forest to find a light, hollow ball

and girls o the Indian tribe that lived among the mountains of the West started to play ball, the leader of one side always said to the leader of the other aide:

"Tou mustn't get Tailkall (the little bird) to help your mde: that would not be fair!" and then the leader of the other side would say:

"No; and you will not call upon Tailkall either!" Always there was some boy or girl who did not know why the little bird could not help, and when that one began to ask questions, the other boys and girls sent him off to one of the old men; and the nod man would tell this story:

One day there came to the people of the mountains a strong man from the mountains a strong man from the mountain people; his head he carried high and his shoulders square; and he was the greatest boaster who had ever come among them. He said that he could true faster than any of the mountain people.
